NOTES:

This month in preschool we will be learning all about “Signs of Spring.” The children will do a variety of activities and projects related to spring. Near the end of the month we will enjoy a field trip to Heron Park; first to clean it up for Earth Day and then play at it. I’m sure the children will love this!

This month we will be starting to practice for our final Spring Program which will be held on Sunday, May 18th at 1:30pm. We are expecting ALL children to attend. Therefore, if you are unable to make it you need to let me know. As always, if you have any questions please see me. :)

The final **parent-teacher** conferences will be **held** on Thursday, April 25th, & Friday, April 26th. Like last time, I will send an email in a few weeks where you may sign up for a conference time. As always, if you have any questions please text me. I am looking forward to meeting with everyone to discuss all the progress made this year by your children.
