NOTES:

This month in preschool we will start with the theme “Under the Sea.” Next, we will discuss “Bugs.” Near the end of the month, we **will** learn the theme “The Earth.” At the end of the month we will enjoy a trip to the park to help clean the grounds and then play. I’m sure the children will love this!

This month we will be starting to practice for our final Spring Program which will be held on Sunday, May 18th at 1:30pm. We are expecting ALL children to attend. Therefore, if you are unable to make it you need to let me know ASAP (especially in the 4 year old class, as this will affect things). As always, if you have any questions please see me. :)

The final **parent-teacher** conferences will be **held** on Thursday, April 25th, & Friday, April 26th. Like last time, I will send an email in a few weeks where you may sign up for a conference time. As always, if you have any questions please text me. I am looking forward to meeting with everyone to discuss all the progress made this year by your children.
