February Themes

For the month of February we will have two different Themes. For the first 2 weeks we will talk about “Hearts & Valentines”. We will talk about people we love and do a variety of projects to celebrate this holiday as well as have a “PJ” Valentine’s Party. Finally, we will learn about “LIVING HEALTHY”. During this unit we will learn why it is so important to take care of our bodies and teeth. We will discuss ways to stay healthy and we will enjoy a visit from a Dental Hygienist.

Valentine’s Day Party

On February 14th we will celebrate Valentine’s Day at school by having a “Pajama Party”. All the children are invited to

wear their favorite pajamas, robes & slippers to school that day. They may also bring Valentine’s to pass around. I do ask however, that you PLEASE **ONLY WRITE THEIR NAMES ON THEM**. Thank You!
