Starting this month the children will trace their names every morning. This will help them as they continue to try and learn how to write their names on their own.

Just a reminder that we will try to get outside at least five to ten minutes every day. With that being said, please make sure your child has the proper gear for the weather conditions. If there is snow on the ground and we are planning on playing in it I will let you know at least one school day in advance. Please NOTE we will not do full gear everyday as it takes much too long to gear everyone up, but I will find some days to play in the snow with full gear. If you have any questions please see me
