THEMES

This month we will talk about “Ourselves and Our Families” for the first week of school. The next two weeks we will talk about “Apples”. After that we will start our “Pet” unit. We will do a variety of different projects and activities to help us learn about the themes. During our study of pets, please feel free to bring in and share pictures of your pets if you have any and would like to!

CLASS PICTURES

Due to Covid-19 we will put off taking class pictures. We are hoping to be able to do them sometime in the spring.

SHOW & TELL

Attached to the calendar is the show and tell assignment for this month. Your child’s name will be marked on the day they are to present. If you want to turn in early, feel free to send in with your child in advance and I will hold it till it is their day.
