### **THEMES**

In the month of September we will be learning "All About Me". The children will do a variety of projects and activities that promote a great awareness of self. They will also get to share information about their family and friends. I think this will be a great way to start of the year and get to know everyone.

### **CLASS PICTURES**

I am pleased to announce that we will be offering school pictures again this year. Information will be handed out soon. Please note the date on the calendar.

### **SHOW & TELL**

Attached to the calendar is the show and tell assignment for this month. Your child's name will be marked on the day they are to present. If you get done early and wanted to hand it in beforehand feel free. I will hold for them until it is their day to present.
