JAN. 4TH – SCHOOL RESUMES

JAN. 18TH – MLK HOLIDAY – NO SCHOOL

Starting this month the children will trace their names every morning. This will help them as they continue to try and learn how to write their names on their own.

Communication Is Key! So please email, text or call if you need anything or have any concerns

loridundore@comcast.net #847-542-0243

Just a reminder that we will try to get outside at least five to ten minutes every day. With that being said, please make sure your child has the proper gear for the weather conditions.

PLEASE NOTE: If there is snow on the ground and we are planning on playing in it **I will let you know at least one school day in advance.** **THEREFORE, we will not do full gear everyday** as it takes too long to gear everyone up. However, I will find some days to play in the snow with full gear. If you have any questions please see me

IF YOU ATTEND ENRICHMENT we may go outdoors more often, since we have more time and the temps are usually warmer later in the day. So, **if it is your enrichment day and there is snow on the ground, please bring all your snow gear in a bag so you are ready if we do decide to go out.**
